USEFUL INFORMATION

Latest Club Information

For details on the current playing conditions of the course and other current projects, visit the club's web site at www.strathallengolf.com.au. This site is constantly being updated with competition results and other important information for members and the public.

Payment of Annual Subscriptions

The annual subscriptions notices are usually available to members in early October with payments due on the 30th November.

GOLF ETIQUETTE

Calling On

A group should call the following group through if they are a clear hole behind or they cannot find a ball (**do not WAIT 3 minutes to do this**).

Lost Ball

A ball is lost if not found in 3 minutes of starting the search – it is no use looking longer.

If looking for a ball out of bounds, call the following group through.

Divots

When you fix a divot hole, fix another divot hole at the same time. If you are waiting for the group ahead to play forward, look around and fix a few more divots.

Remember, it may be your ball that lands in a divot hole the next time.

Bunkers

All players should ensure that they rake the bunker after playing a shot from the bunker and place the rake in the bunker and exit the bunker from the rear or lowest point.

Saving Time

At the Green, take your buggy to the side of the green nearest the next tee.

Wait until you arrive at the next tee before filling in your scorecard, completing it as your group hits off.

On the fairway, go directly to your ball, do not go from ball to ball as a group.

Local Etiquette

The use of Mobile phones and ride-on buggies are not permitted at Strathallan unless special, prior permission has been granted.

Buggies are not allowed on greens and tees.
